

THE EMPTY POOL

HOUSE RULES

- During THE EMPTY POOL moments, we offer the space of THE POOL **free of charge** to anyone who wants to organise a (cultural) event, gathering, activity, or happening. The only condition is that it is **accessible to the public**;

- Sectie-C **values all people** and provides equal services and care to everyone, regardless of age, disability, gender, gender identity, race, religion, belief, or sexual orientation. We ask you, as the organiser, to safeguard these values as well;

- Sectie-C is a creative maker's space. This creates an inspiring environment, but it also requires **respect and carefulness** from you and your audience in dealing with everything on the outdoor premises. You never know if it's someone's work or how much something is worth to someone. Looking around is allowed, but please handle with care;

- Despite the fence around Sectie-C, we are a **public area** and take our **relationship with the neighborhood** seriously. We need your full cooperation and awareness here. Help us prevent inconvenience for the neighborhood. The Sectie-C premises open every day at 07:00 and close at 22:00.
